

# Kids on the Block Early Learning Video

The Kids on the Block educational puppet troupe brings 20 years of experience teaching children about differences to video. Kids on the Block characters, Mark Riley, Melody James, and Ellen Jane Peterson are recognized by children around the world. Now, they're ready to introduce viewers to some brand new kids.

This funny and entertaining educational video curriculum, which includes a discussion guide and follow-up activities, introduces young viewers to Suzette Riley and her friends as they help children learn some important lessons:

- **AGGRESSION** -- Along with Suzette and Todd, children learn how to problem solve and manage anger through "freeze, breathe, 1 - 2 - 3."
- **COMPASSION** -- Mai and Miguel demonstrate compassion for animals and caring attitudes towards others. Children also receive information about good health habits.
- **PERSEVERANCE** -- Everyone needs time to "learn how" and as Suzette demonstrates, practice can turn her "I can't" into "I CAN." Children receive a self-esteem building message of having confidence in one's abilities.
